ABOUT ME

I am a vibrant, committed and motivated individual, with a strong passion for design and visual communication. I have significant experience in producing high quality magazine layouts including marketing material, brochures, posters and adverts. I possess strong communication skills to create ideas and solutions with team members. I am a valuable team player with the skill to lead and be led in all stages of the creative process. Recent founder and designer of fashion label Luna Love London.

SKILLS

- Designed the entire layout of The Sunday Times Style Magazine, Irish supplement
- Create beautiful layouts to a high standard
- Source pictures for relevant topics and commission illustrations from professional out-sources
- Ability to prepare layouts for the final printed editions whilst working under a tight deadline with a high attention to detail
- Adapted to amend designs according to the editors comments
- Sourcing photographers and brain storming ideas for fashion shoots
- Design a full range of marketing material from sales media packs, adverts, poly bags and other marketing collateral
- Worked on the redesign of Computeractive, Baby London and Little London magazines
- Designed my fashion label's website, lunalovelondon.com
